Subject: Solicitation number S-IZ100-08-R-0112

The Embassy of the United States of America invites you to submit a proposal for paving and vehicles sunshades at Camp Sully, BIAP, Iraq.

If you are interested in submitting a proposal on this project, read the instructions in Section L of the attached Request for Quotation (RFP).

If you intend to submit a proposal, you should thoroughly examine all documents contained in the contract solicitation package. The Embassy intends to conduct a site visit (see L.6, 52.236-27) and hold a pre-proposal conference. All prospective offerors who have received a solicitation package are invited to attend. The conference will be held on Wednesday, April 16, 2008 at the Sully Compound at a time to be determined. All participants who register for the site visit will be informed of the time of the site visit when it is determined. Submit any questions you may have concerning the solicitation documents in writing by COB on Monday, April 7, 2008 so that a response can be provided at this conference.

Your proposal must be submitted in a sealed envelope marked "Proposal Enclosed" to Alan Monetta on or before COB on April 24, 2008. No proposal will be accepted after this time.

Complete Part II of the Standard Form 1442, including all blank spaces, and have the form signed by an authorized representative of your company, or the proposal may be considered unacceptable and may be rejected.

In order for a proposal to be considered, you must also complete and submit the following:

1. Section B and Attachment 4, Proposal Breakdown by Divisions;
2. Section K, Representations and Certifications;
3. Bar Chart illustrating sequence of work to be performed;
4. Additional information as required in Section L.

The contract will be a firm fixed price contract, with no adjustment for any escalation in costs or prices of labor or materials. Each offeror will be responsible for determining the amount of labor and materials that will be required to complete the project, and for pricing its proposal accordingly.

Please be advised that each offeror is responsible for furnishing complete information to its subcontractor and suppliers, such as details and quantities required by the drawings and specifications. Subcontractors and suppliers should not be referred to the Embassy or the Architect for determining the amount or quantities of materials required.

The construction completion time is 70 calendar days, commencing on the notice to proceed. In the event of an unauthorized or unexcused delay in completing the project, liquidated damages in the amount of \$150.00 per calendar day will be assessed until substantial completion of the project is achieved.

The Contracting Officer reserves the right to reject any and all proposals and to waive any informality in proposals received. In addition, the Embassy reserves the right to establish a competitive range of one or more offerors and to conduct further negotiations concerning price and other terms before awarding the contract, or to award without discussions.
